The Mount Washington School Song

Mount Washington,
We're on the move.
We're always striving to improve.
The future's ours to explore
As we're learning more and more.

Mount Washington,
We're tons of fun.
Our tigers impress everyone.
As we're sure to do our best
We're number one from east to west.

Mount Washington,
Success for all.
Talented tigers standing tall.
The future's ours to explore
As we're learning more and more.
