Energy Thieves

Caution: Official Brief.

What we are about to see in this brief is bad.

Do not be frightened. Remember, we have tools.

Tools Rule

Energy Vampires

Waste can take on many forms

Powerd Raw

Left: Rendition of Powerd Raw.

Below: Photo of Powerd Raw in action

Lea K. can look innocent at first.

But Lea K. can be wasting tons and tons of resources.

Leak can be extremely dangerous.
If you smell Leak – **get backup!**

A night surveillance through Energy Captain Tools

Solar Suckin' Weeds

Poly Sty Rene

Sty Roe Foam

Personal Energy Thief

- Not Enough Sleep
- No Breakfast / Poor Nutritional Breakfast
- Over-fed Under Nutrition
- Dehydration
- Stress
- Not Enough Exercise

There is more out there,
but Who, What, Where???
